## Project Manager

### Despre mine

Hi. My name is Dmitriy. I leave and work in St.Petersburg Russia. I am going to relocate to Chisinau soon.

Last 2,5 years I have been working in the field of IT project management. I have excellent analytical skills. Being an engineer in international company I gained great experience working with foreign partners from Sweden, Germany, Finland, Poland and China. I often participated in negotiations and meetings. Also I have experience in making presentations and technical reports. Often had to work with technical documentation in English.

Fast learner, perform well under stress, meticulous, responsible, honest and sociable, with a sense of humor.

- Agile project management
- PMBOK project management
- Atlassian Jira and Confluence
- VMware Horizon
- Git
- HTML, CSS
- BIM modeling and coordination
- Autodesk Revit, AutoCAD, Navisworks
