Manual Tester

Despre mine

Коммуникабельная

Стрессоустойчивая

Способная

Ответственная

Пунктуальная

Dedicated and detail-oriented Digital Archive Officer with a strong foundation in archive management within the banking sector. Seeking a transition into the role of Junior Manual Tester to leverage analytical skills, attention to detail, and a commitment to quality assurance in the dynamic field of IT. Proficient in document scanning, data categorization, and compliance, with a solid understanding of regulatory standards. Looking to apply my keen eye for accuracy and my ability to collaborate effectively with IT teams to ensure the flawless functionality of software applications through comprehensive manual testing. Eager to embrace new challenges and contribute to a team's success in delivering high-quality software solutions

Experiența profesională

Digital Archive Ofițer · OTP Bank SA · Chișinău

Octombrie 2020 - Prezent · 5 ani

Operated document scanning equipment to digitize and convert paper documents into electronic formats.

Promptly reported any bugs or issues encountered in the electronic archive system to the IT team, including documenting the bug's specifics, its impact and the steps to reproduce it.
