Experiența profesională

Mobile Engineer · Ericsson telecommunication S.R.L · Chișinău
Octombrie 2017 - Prezent · 8 ani 4 luni

Experience - I have been working at Ericsson telecommunication since 2017 in role of 1st Level Operations Supervision Engineer / MS Automated Operations Engineer . During this time increased knowledge in such areas as Mobile RAN , FIX network, Transmission network . Worked with RAN equipment such as Huawei went through projects such as support engineer as "Single RAN project in Orange Moldova Network" , also on the fix network performed operations and support, troubleshooting on layer 2-3 for B2B clients.

I have an notion and experience of remote maintenance, as well as familiar with the interfaces of the following equipment : RAN Huawei, FIX Huawei routers , Cisco routers, Coriant/Infinera Tellabs , MW NEC ,Nokia DWDM equipment, Planet routers, Linksys ,Mikrotik .Also took introductory courses (5G Overview - LZU1082613 ; Ericsson Radio System Overview - LZU1089991). I am fond of programming on Python , automated a couple of projects for work.
