Despre mine

Tânăr inteligent, punctual, responsabil, energic, amabil, exigent, perseverent, perfecționist, pragmatic, multilateral dezvoltat, orientat spre rezultat și performanță, cu gândire analitică, "corectitutine politică", cunoscător a câtorva limbi, cu o bună cultură generală și cunoștințe vaste în diverse domenii.

Utilizator PC de nivel avansat, cunoașterea suitelor software pentru oficiu și altor programe comune și mai specifice. Asimilare rapidă de software și tehnici noi.

-

Multilaterally developed personality, with a good general culture and extensive knowledge in various fields (both theoretical and practical), with diplomatic abilities. Competitor of intellectual games, brainstormer, idea generator.

High analytical and observational skills, ability to work independently, good prediction/forecasts skills. Introspection, analytical thinking, parallel thinking, high-level thinking, focused thinking, good understanding of causal relationships.

Persevering, demanding, responsible, intelligent, erudite, perfectionist, punctual, pragmatic, solution finder, multitasker, result-orientated and performance-orientated, "politically correct", honest, calm and patient but quite dynamic, diligent, prone to continuous learning of new things and the acquire of new knowledge. Having no vices, I am stable psycho-emotionally, with good self-control in various unusual and even critical situations.
