Experiența profesională

Translator, HR officer · Rida · Tiraspol

Iulie 2017 - Iunie 2018 · 12 luni

Worked as a translator and interpreter in shoes making company. Attended official meetings, participated in team's life. Served also as a HR officer, involved in work with documents, translated datasheets from English and German language (the last one washed away from my memory, but some skills are still present). Up to date, since leaving the aforementioned company (Rida) I've been working as a technical translator remotely.
