# Truck Dispatcher

## About me

I am an ambitious person, eager to grow in the field I am specializing in.

I quickly grasp and apply new material, and I am highly adaptable to any working environment.

When I start something, I stay focused and finish it without taking breaks. I always strive to create a friendly and supportive environment for the people around me, without judging anyone. I focus on what a person does, not on how they look or what their background is.
