# Support Operator

## About me

I've spent over a year in trucking operations, including 24H driver support, safety management, and claims. I know what it's like to be the person drivers rely on during the night shift: solving breakdowns, rerouting under pressure, and keeping calm when things go sideways. I've handled both logistics and compliance, so I know how to speak everyone's language: from dispatch to brokers to insurance

## Work experience

**Claims Manager** · UE LINE INC · Chişinău  
 February 2025 - May 2025 · 3 months

Investigated cargo and vehicle damage claims; collected statements, photos, and footage to determine liability.

Managed communication with brokers, insurers, and vendors; disputed inflated charges and negotiated payouts.

Tracked all open claims, maintained documentation, and supported internal safety investigations.
