GDS expert

About me

Responsible, organized, and hard-working specialist with a strong foundation in IT. I possess well-developed communication skills and team collaboration abilities. I completed my education in 2024, actively working on projects and lab assignments across various IT domains, including development, testing, and modeling.

Work experience

GDS expert · Kivork · Chişinău

June 2025 - August 2025 · 3 months

Experienced travel operations and ticketing specialist with strong expertise in Global Distribution Systems (GDS) including Sabre, Amadeus, Galileo, and Worldspan. Skilled in flight construction, routing search, fare construction analysis, and quality control of issued tickets. Adept at reading and interpreting contracts in English, ensuring compliance with airline agreements, and calculating commissions within contractual conditions. Demonstrates high attention to detail, problem-solving abilities, and deep knowledge of trip types and pricing logic.

Built flight itineraries and searched routes across multiple GDS platforms (Sabre, Amadeus, Galileo, Worldspan).

Analyzed and applied fare construction rules to ensure accurate pricing.

Processed and verified different trip types, including one-way, round trip, open jaw, circle trip, and multi-city.

Reviewed and interpreted contracts in English, ensuring compliance with airline and agency requirements.

Calculated commissions within contractual frameworks.

Conducted QC checks to validate tickets before and after issuance

Skills: Accuracy and attention to detail in ticketing processes, Strong analytical and problem-solving skills, Ticket verification and Quality Control (QC) checks, Commission calculation under contractual terms, Contract reading and requirements analysis (English), Trip types knowledge, Fare construction and pricing interpretation, Flight building and complex routing search, Worldspan (GDS), Galileo, Amadeus, Proficient in Sabre
