About me

I have extensive leadership and team support experience, I've also served as a leader calling strategies and all the shots under extreme time pressure, resource management is second nature to me I've operated under strict budget constraint where every purchase decision impacts long term success.

My communication skills, I am able to distil complex information into clear actionable directives in seconds I can brief a team on a situation in 5 seconds and everyone will know what to do.

Desired industries

- IT, Tech
- Tourism / Hospitality
- Translation / Publishing

Education: Secondary
