Talent Management Specialist

About me

I see myself as an ambitious person, wanting to contribute efficiently to raising the company's level of service in which I will work. I work excellently by myself and in a team. I speak fluently in three different languages and find common language with any customer very fast, as the solution for a problem that needs to be solved. I am an open-minded person, aiming to develop my professional skills and learn something new in order to raise my working level.

I am looking for a stable job.
