# Waiter, barman

## Despre mine

Hey! I'm 19 old teenager, I'm from Republic of Moldova, town Balti. I have successfully graduated middle school (in our country middle school is - 12 classes and 5 exams BAK before we leave the school) and I immediately started to look for a job in Greece, because I have experience (how I wrote - I used to work on Crete) and I would like to continue!

I'm a tall guy, I don't look ugly, I like do sports: sport gym and box, what means, that tireless isn't my friend.

To conclude with, i would like to say, that I'm ready to become an important member of your team and I hope you will be interested in me. If so - let me know and we could have a video call or chat for more information for you from my side, and of course for me about your hotel and conditions, which you are proposing.

Have a good day, and good luck in everything, what you do!

Thanks for attention!

What can I say about my key possibilities.. for sure, I can say, that I'm responsible person, also I'm always ready to try or to learn something new, because I can't stay on only one place.
