Strong communicaion skills and a professional aitude

Problem solving and analytical capabilities

Experience in large-scale system development (based on Scrum)

Work experience

.Net Developer · Pentalog CHI · Chişinău

September 2022 - Present · 3 years

My goal is creation of comprehensive RESTFull Web API microservices infrastructure using .NET 6.0 framework aimed to provide technical data and low-level configurations of system units for variety of remove applications.

Following system units are the commercial products (parts and devices) that are the "building blocks" of SYSTEM CONFIGURATOR -> globally distributed intellectual platform, used to create unified and easily maintained ventilation and fire safety system within the building.

Desired industry

- IT, Tech

Education: Higher

Slavonic University (Chisinau)

Graduated in: 2005

Faculty: Information Technologies

Speciality: IT Engineering

👤 43 years

♂ Male

📍 Chişinău

Preferences

- Full-time
