UX/UI designer / Webflow developer

Despre mine

I am 20 years old. With the beginning of the war in Ukraine, I moved to Germany, where I began studying UX/UI design. Over time, I moved to Italy and continued to develop in UX/UI design and began to learn website development on Webflow. I currently live in Moldova. I make turnkey websites: Copywriting, Branding, Landings, multi-page sites and develop on Webflow.

My soft skills:

- Responsibility
- Self-management and Punctuality
- Creativity
- Communication and Ethics
- Conflict resolution and working under pressure
- Adaptation
- Work in a team and partner
- Webdesign/ UX/UI
- Webflow Developer
- Framework
- Crafting interactive prototype
- UX strategy, UX/UI research
and desig
- Customer journey map
- Proposal for artistic direction, style and color
- Animation skills
