Dispatcher

About me

Looking for an opportunity to evolve and gather new knowledge and abilities together with a good team of coworkers. I graduated from Technical College "Gheorghe Asachi" in the city of Iași, Romania. Looking for a dispatcher position in transport logistics. I possess native communication skills in both English and Romanian, and elementary skills in Russian. I have some experience in the US trucking industry as i have worked as a dispatcher and as a recruiter for Ronin Logistics. Currently i am looking for a dispatcher position as i find it more interesting than other positions I've had so far.
