## 3D modeller

### About me

I am an english fluent speaking person who is also a 3D modeler (low tris priority), and who is also used to be in night shift jobs. I respect dresscode rules, job rules and even cleaning rules. I may or may not be often speaking person, but finding something in common would obviously try to blend in.

I also like video games with categories like: Roguelike, Soulslike, Pshyhological Horror and Atmospheric.

I can aslo Edit video, Edit audio, 2D drawing with mouse, and somewhat effect animating.
