## Profesor de engleză

### About me

I'm a curious and adaptable person with a background that blends teaching, translation, and communication. Each role I've taken in my academic and professional life has helped me grow and has shaped the way I work today: flexible, thoughtful, and always eager to learn. I'm passionate about languages, even more so when it comes to helping others learn them. I'm a quick learner myself, and I enjoy finding creative ways to connect ideas and people.
