## Despre mine

I am a well-organised, self-motivated, responsible and confident person. I have strong communication skills with people of all backgrounds. I can speak three different languages. I am a motivated and fast learner who is looking to pursue a career as an IT Hardware technician or any related jobs. I am currently looking for opportunities as an IT assistant.

I would like to learn new skills. I am interested in IT because I have a lot of experience and also I really like computer Hardware and also Software engineering. I hope to achieve a higher level and also to improve my skills in IT.

If there is any other job opportunity which you think i might be interested in, feel free to get in contact with me.
