Product Owner

Опыт работы

Product Owner · Arm Ltd · Cambridge

Январь 2023 - Июнь 2025 · 2 года 6 месяцев

Defined and communicated a clear product vision, ensuring alignment across teams and stakeholders.

Developed, prioritized, and continuously refined the product roadmap to reflect business goals and market opportunities.

Defined and tracked key product performance metrics (KPIs, OKRs, customer satisfaction, adoption).

Led regular backlog refinement sessions to adjust, estimate, and prioritize issues, improving team focus and delivery flow.

Translated business objectives into measurable product outcomes, milestones, and deliverables.

Collaborated with cross-functional teams, delivering regular updates and presentations to stakeholders.

Ensured compliance with data regulations, maintaining up-to-date processes and standards.

Applied Agile frameworks, including Scrum and Kanban, to drive efficient product development cycles.

Digitized and codified commercial contracts, streamlining documentation and accessibility.

Analyzed and extracted contract metadata to improve reporting accuracy and provide operational insights.

Maintained and enhanced contract metadata quality on internal platforms, enabling efficient data flow and reporting.

Enhanced business user adoption by 50%, driving greater engagement and measurable product growth.
