Software Tester - SilkTest

Despre mine

- A Moldovan affiliate of an American company is seeking a Software Testing specialist to be responsible for the software quality assurance processes utilizing SilkTest.
- Experience in automatic testing desired.
- Background in programming (such as .NET, C++, Java, or similar) is not required, but very beneficial.
- Must be able to contribute in a team environment and have an ability to recommend solutions.
- Strong English language skills will separate you from competition.
- The company offers outstanding opportunity for professional growth, competitive salary and an aggressive bonus system. The pay will be in line with prior work experience and technical merits.
- Please contact us in Chisinau by email at job@roytmanIS.com, <http://www.roytmanis.com/ShowJob.asp?JobID=101566>
